### 1. Appointments

Appointment list with shown in calendar mode

The screenshot shows a web application interface for managing appointments. The top navigation bar includes 'Health', 'Appointments', 'Consultations', 'Options', and 'Online Consultations'. A search bar for patients is on the right. Below the navigation bar, there are filters for 'Pending' (Mar 0, Eve 5) and 'Completed' (Mar 0, Eve 0), along with a 'Details' button and a 'Search Appointment' input field. The main content area displays a table of appointments for the date '2022-10-01'.
